

RAGER FAMILY PLAN

We are a family of faith. By faith...

- We work hard, entrusting our efforts into God's hands.
- We rest often and have fun, trusting that God works even when we don't.
- We put each other before ourselves. We trust that God's design for servant-leadership and submission is good.
- We bring others into our home to see our flawed attempt at family, trusting that God makes beautiful things out of the dust.

Strategic Focus

- Our desire is to bring balance to our family.
